Sir:

In response to the Office Action dated **December 5, 2001**, and further to the Petition for an Extension of Time of One Month, please amend the above-identified application as follows:

IN THE CLAIMS:

Please AMEND claims 1-3 and 9 as follows:

1. (Amended) A method facilitating collaboration between a plurality of users of incompatible hardware and/or operating systems, comprising:
 - selectively generating predetermined objects, text objects, active hyperlink objects, [active track objects,] and freehand drawing objects, which are displayable at user-selected locations on a White Board screen of one of the users;
 - transmitting all generated ones of the predetermined, the active hyperlink, the text, [the active track,] and the freehand drawing objects for selective distributions to each of the other users;
